Oyez Professional Services Acquired by Advanced

In April 2019, Oyez Professional Services was acquired by Advanced, the third largest software and services company in the UK, with a Head office in Datchet and regional hubs in Birmingham, Knutsford and Ashford.

Advanced provides enterprise and market-focused software solutions that allow customers to reimagine what is possible and to gain the advantages of future proof technologies in their sector. This includes market leading software solutions in the UK Legal marketplace.

This acquisition allows Oyez to combine and leverage our technologies alongside those of Advanced. Being part of Advanced will enable us to grow and strengthen our ability to provide you with exceptional products and services.

As always, Oyez will continue to stay focussed on you, our clients. In due course we look forward to being able to provide you with access to the many great solutions that Advanced already offers to its 19,000 customers' in the UK. To learn more about Advanced, please visit www.oneadvanced.com.

Be assured, we will continue to provide the existing forms and speech solutions currently provided by Oyez now that you are part of Advanced.

Today's news does not change how you interact with us. We wish to personally thank you for your continued business and we look forward to further enhancing our relationship with you. If you have any questions, please contact our Customer Care Team or your existing Account Manager.
